

JANOME Global-Site – Winter 2005 Projects

Christmas Tree and Ornaments

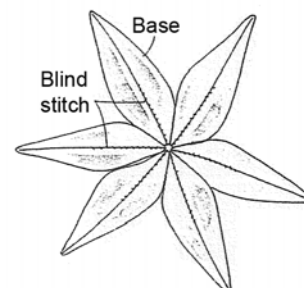

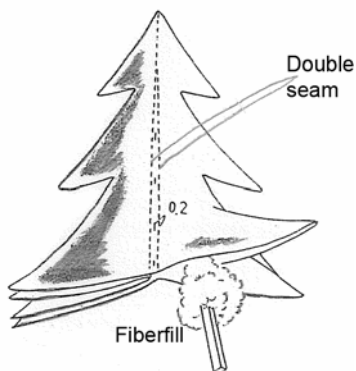

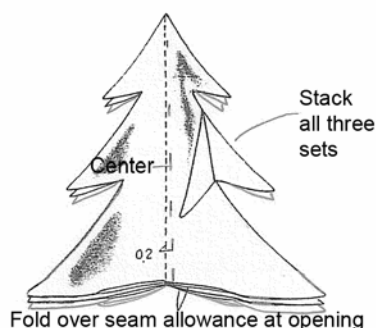

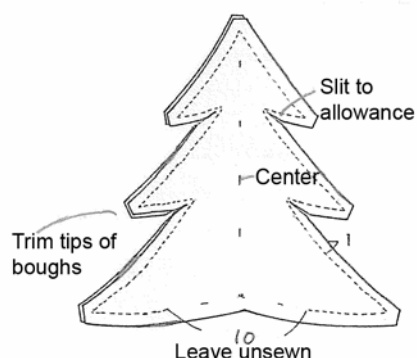

Supplies:

Top fabric	70 cm x 110 cm
Felt	20 cm x 45 cm
Fiberfill	300 g
Ribbon (24 mm width)	50 cm (enough for 1)
(9 mm width)	330 cm (enough for 18)
Beads	1 bag

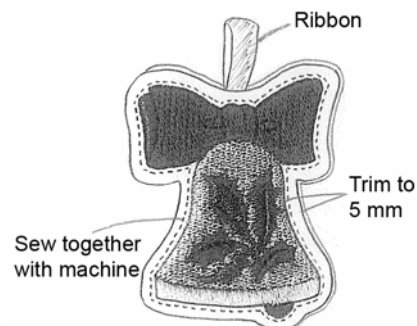

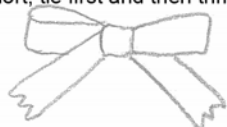

Instructions:

1. Cut 6 tree-shaped pieces out of the top fabric. Match in pairs and with right sides together, sew along allowance to make three sets.
2. Turn right sides out and sew all three sets together down center. Add fill carefully, little by little, with a knitting needle to work into tips.

3. Make ornament
Embroider your choice of design on felt and trim around design. Cut back piece of felt to match. Add ribbon between the two pieces of felt and stitch together around edges.

It is difficult to tie the ribbon if ends are short; tie first and then trim ends.

4. Attach ornaments to tree and You're done!
