## Instructions

Machine . . . MC11000 SE ( recommended )

Embroider onto the outer fabric cloth of A.

Sew the sides of A's outer fabric and underlining respectively.

Sew the bottom of A's outer fabric and underlining respectively.

Sew both bottom corners of A and underlining respectively as shown below.

Insert underlining into outer fabric with right sides together. Stitch the top raw edge leaving the opening. Then turn the fabric right side out through the opening.

Make the B part and tuck into A then topstitch to secure.

-1 Attach the stabilizer onto the back of the B's fabric. Fold in half in the middle right side together. (5mm seam allowance)

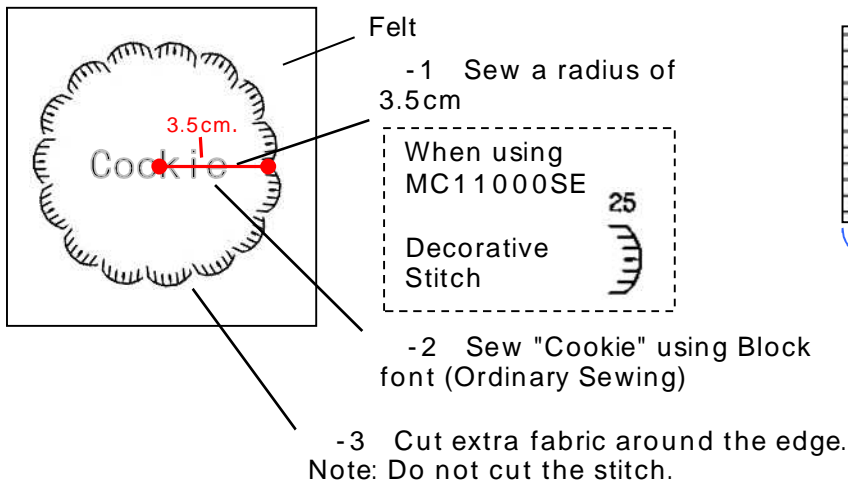

-3 Tuck B into the A and edgestitch around top edge to secure.

-2 Turn right side out. Topstitching 1cm from the edge.

Make the cookie pattern part.
