

JANOME BULLETIN

Janome Hat Hoop

Using the Janome Hat Hoop, your favorite designs can be embroidered onto your cap. Only use designs that are approximately 5" x 4.3".

Compatible with Memory Craft 12000

Janome Hat Hoop Kit Includes:

- Janome Hat Hoop Base Plate
- Janome Hat Hoop Clamping Plate
- 2 Clamping Knobs
- Instructions
- 17.5"9" Sample Sulky® Sticky™ Stabilizer

Part No.:859-436-005

Point 1

Embroider onto caps with your home sewing machine!

Using the Janome Hat Hoop, you can enjoy embroidering on caps at home without having to use a special embroidery machine.

Point 2

Attachment is simple!

Simply affix the Sticky Stabilizer to the Janome Hat Hoop and insert into the MC12000's SQ14 embroidery hoop as its inner frame, and the embroidery hoop set is complete. Insert the brim of the cap into the Clamping Plate and after making sure the cap is flat (you can use tape as shown in the photo below), you can begin sewing.

Your cap is complete!

Clamping Plate

Digitizer MBX

Digitizer MBX is compatible with the Memory Craft 12000. Please use it if you want to make original embroidery designs!
