

Memory Craft 15000

SKYLINE

S9

Also usable on any embroidery sewing machine with JEF+ compatibility

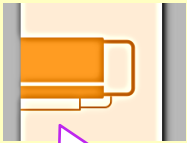

## AcuSketch V2.20

The latest 2 improvements make drawing easier, assisting your creativeness in the process!

### Addition 1 Small eraser

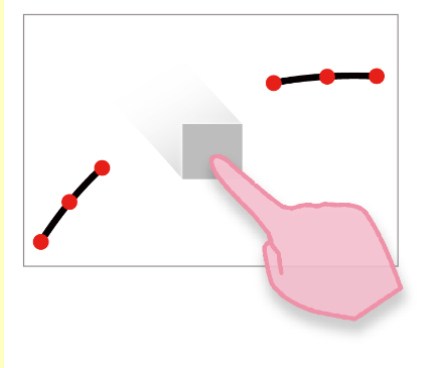

For erasing parts of drawings in finer detail, a small eraser has been added. You can choose the size of the eraser - large or small - to match your needs.

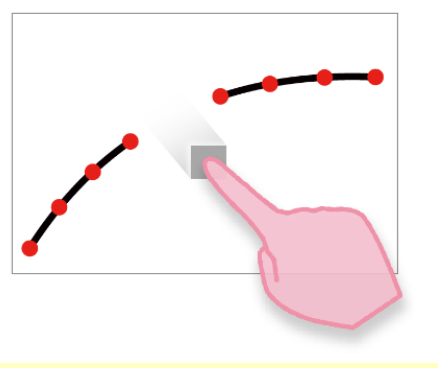

Select large or small by tapping

Large (original) size

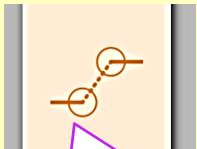

Small size

### Addition 2 Switch automatic connection function on or off

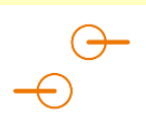

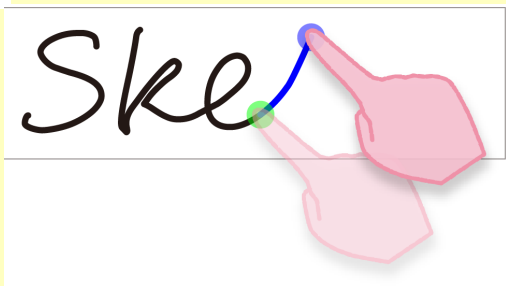

You can now switch the connect function on or off when drawing lines.

Select Automatic connection on or off by tapping

Automatic connection ON

Automatic connection OFF
