A great opportunity to review our latest accessories for the MB-4!

Hoop Kit for Socks & Wrist Bands

A little bit of embroidery goes a long way to spice up even the plainest of socks and wrist bands.

Now Available!

Point 1

Slider: The secret to hooping success

The slider holds hoop and guides stretchy items for easy hooping and perfect placement.

Part No.: 770480006

Point 2

Two hoops of each size

Kit includes large and small sized hoops with two hoops of each size, letting you hoop one while the other is embroidering. Also includes large and small sliders and a hoop holder.

Point 3

Not just for socks!

Great for all sorts of stretchy fabrics!

Digitizer MB software makes small designs in a snap!
