Point 1 A hoop size that's compatible with a wide range of embroidery designs

Traditional Janome embroidery designs and designs on the market today were taken into consideration and Essential Hoop (RE18) was designed to be the perfect size for a wide range of embroidery. Because the embroidery fits the hoop, fabric and stabilizer can be kept to a minimum.

Essential hoop (RE18) embroidery area: 140 × 180mm(5.5 × 7inches)

Point 2 New type embroidery design

Janome's Essential Hoop (RE18) comes with a USB flash drive with 50 embroidery designs loaded on it. Amongst these, there are many fresh new designs. By trying these with various types of material, your embroidery will become even more enjoyable!

Use fake fur to make applique and create the fluffy wool feeling.

Embroider on white, smooth fleece material to make a white tiger!

Elaborate, real designs
