Touch Panel Interface For Servo Press

- Immediate access to Janome's dedicated PC software applications!
- Quick installation; set up and use immediately!
- Separate Administrator and Operator accounts prevent unauthorized access to program data.
- View sequential quality control data for multiple press units at the same time.
- No need for a Teaching Pendant or separate PC.
- Large result data storage capacity; retrieve data easily via a USB memory.
- Uses Windows®10 IoT Enterprise; avoid the hassle of periodical system updates.
- Ideal for inline installation.
